For small businesses, if you are still not satisfied with the outcome of your complaint, you have the right to contact the Energy Ombudsman who offer a free and independent service specialising in impartially resolving customer complaints. Details of who can use this service is available on their website www.energyombudsman.org. To contact them, phone: 0330 440 1624 (Monday to Friday, 8am to 8pm, and Saturday, 9am to 1pm), write to: Energy Ombudsman Services, PO Box 966, Warrington, WA4 9DF or email: enquiry@energyombudsman.org.

Moving Premises

If you are moving premises please complete our online Change of Customer form <https://engie.co.uk/move-in-form> and <https://engie.co.uk/move-out-form>. Please consult your contract for details of notice period required.

Value Added Tax (VAT)

VAT on Electricity is charged at the Standard Rate, with the exception of those supplies which qualify as domestic use or non-business use by a charity. Domestic use includes de minimis supplies which do not exceed a daily average of 33kWh across the invoicing period and in this instance a Reduced Rate of VAT is applicable. For qualifying supplies other than de minimis supplies, VAT declaration forms can be downloaded from the customer area on our website www.business.engie.co.uk.

For further information on supplies which qualify for Reduced Rates please visit www.hmrc.gov.uk or contact your VAT advisor.

Climate Change Levy (CCL)

CCL is a tax on energy delivered to non-domestic users in the UK, with the exception of those supplies which qualify for Reduced Rate VAT. For those supplies which are not exempt a reduced rate of CCL can be claimed for Energy Intensive Businesses that have entered into a Climate Change Agreement (CCA) with the Department of Energy and Climate Change. If your business is eligible for CCL relief you must notify us using HMRC's PP11 and PP10 forms.

For further information on supplies which qualify for relief from CCL or to obtain forms PP11 and PP10 please visit www.hmrc.gov.uk. This document is a Climate Change Levy Accounting Document (CCLAD).

Loss of Supply

Your Rota Load Block Identifier is displayed on the 'Invoice Breakdown' page in a square box next to your MPAN. For more information on Rota Load Blocks please refer to the Electricity Supply Emergency Code available on www.gov.uk.

If you encounter a loss of supply please contact your local Distribution Network Operator. Contact details are available on www.nationalgrid.com.
